

Spring Camps

Spring Camps are all half power skating, half hockey skills. These five-week camps through April and May are a great time to improve skills during the off-season. It's also a good opportunity to maintain what players have learned through the winter, bridge the gap until summer camps, and not return a step back from where they finished. Sessions will be divided between power skating and puck skills.

Description: This is a beginner level power skating class with a focus on learning basic hockey skills in an atmosphere of FUN! It is not a learn to skate class so skaters must have some previous skating experience.

CAMP 4 U15/U18/Jr/Adult Sundays 7:45 – 9 p.m.
Cost: \$379 + GST Castledowns/Grand Trunk Arenas
5 weeks starting April 12/2026, ending May 10/2026
Description: This camp is for serious players committed to fine tuning their skating, maintaining conditioning, and strengthening puck skills. All skills will be integrated into high-tempo game situations. This camp will blend into semi-private sessions offered July – August and then wrap up at Summer Camp for a full season of quality technique training.

Summer Camps

All summer camps take place August 10 – 14, 2026 @ Castledowns Arena.
Summer Camps are for hockey or ringette players wanting to improve SKATING TECHNIQUE and CONDITIONING. Instructional focus is on skating skills, although pucks will be integrated at all levels so players can practice skills in game situations. All camps (with the exception of Learn to Hockey) include off-ice activity sessions related to skating skills and conditioning. All camps include a free jersey, and early booking discount is available.

Camp E – U13/U15 12:15 – 3:15 p.m.
Cost: \$539 + GST Off-ice: 12:15 - 1:15 p.m. On-ice: 1:45- 3:15 p.m.
This camp is for players wanting to improve their skating skills by learning the proper technique first and then incorporating into high-tempo drills. Off-ice sessions will be related to on-ice skills such as stride, power and quick feet and will also include stretching, conditioning, muscle development and more. Each day is something different so players will never get bored!!

Camp F – U18/JUNIOR/ADULT 1:30 – 5 p.m.
Cost: \$549 + GST Off-ice: 1:30 - 3 p.m. On-ice: 3:30 - 5 p.m.
This camp is for the advanced player committed to improving their skating and conditioning prior to the 2025/26 season. On and off-ice sessions will focus on speed, acceleration, agility, strength and power. Players should have strong skating skills and be looking to improve technique in specific areas of weakness. This camp will be demanding but players will really feel like they've accomplished something by week end!! **For a complete summer training program, this camp is recommended as completion of the Edges Semi-Private Package.
