Superskate Home School Skating is a program that develops skating and hockey skills during school hours for all ages and skill levels. Classes are fun and interactive.

Learn to Skate Classes are for any children showing an interest in skating, whether for hockey, ringette, figure skating or just for recreation. (Skates and helmet required.)

Hockey Classes include power skating, hockey skills and also some game scenario instruction. (Full equipment required.)

As part of our Skate to Play Program for later starters, we hope to foster confidence along with a love for skating and hockey. Our expert coaches can help you AND we'll have some fun along the way!! Registration is simple, and we can also help with financial assistance, getting equipment, and navigating the process.
